

# *Gift Hampers*

# *Gift Certificates*

Are you looking for an innovative personalized or corporate hampers for your most valuable business partners or customers or loved ones?

Have you thought of breaking out of the run-of-the-mill mold and present your partners and customers or love ones a gift that:

- contributes to the a green alternative?
- contributes to healthier and non toxic lifestyles?
- provides pure and healthy products?
- provide a sustainable agriculture that respects, supports and nurtures the complete ecology and energy of our planet?

We work with leading organic retailers that provide hampers that are lovingly filled with organically grown products and organic personal care essentials. We cater for budgets ranging from \$50 and more.

Our organic products range from:

- food and beverages
- jams and tidbits such as biscuits, candies, etc
- fresh and dried fruits
- environmental care such as insect repellent, air freshener
- body care such as body wash, body cream, hand wash etc
- hair care such as shampoo, conditioner, styling gel etc
- skin care such as rose hydrating mist, treatment gels etc
- men's care such as shaving gel, after shave balm etc
- baby's care such as organic clothing

Our Gift Vouchers for the personalized workshops and packages at Peak Persona Studio are also available for your purchase.
