The Art of Small Talk

An Invaluable Tool To Build Your Network Skills

"Creating IMPACT to achieve SUCCESS"

Are you always tongue-tied in front of others ?

- Does the thought of networking event give you stomach in knots ?
 - Do you worry of the awkward silences during a conversation ?
 - Are you clueless on what to say when meeting new associates?

Have you ever admired those successful people who seem to have it all? They chat confidently at parties, speak well in business meetings, and have the best jobs, nicest parties, and most interesting friends.

Are you clueless when it comes to networking? Come and learn the skills on how to communicate with people on any occasions. You will learn how to:

- *Start a conversation-even you have nothing to say*
- *Avoid awkward silences and keep the conversations going*
- *Create an unforgettable entrance when meeting people*
- *Adopt listening skills to be a better communicator*
- *Exit gracefully but leave a lasting positive impression*
