## MAKEUP TREATS

### *Bring Out The Natural Glow in You*

When you discover the amazing impact of the right cosmetic shades in our professional workshops, you'll see just what a difference this can make. Not only does your make-up look **more natural, more professional** and your face and features better defined, but also you can now **choose with confidence**. No more playing safe, no more bland shades, no more unused cosmetics taking up space

Each set includes:

**Foundation** All colour-balanced foundations are with SPF 15 sunscreen and contains no mineral oil, feels light on skin, and provide good coverage.

**Loose Powder** Extremely fine textured translucent powder that absorbs excess moisture from foundation and removes shine from face without a heavy, "made-up" look.

**Make-Up Sponges** Makeup bag essentials as they make it easy to apply and blend everything from liquid to stick foundations to cream blush.

**Recommended Retail Price @ \$94.00 per set**

***Peak Persona Special @ \$74.00 per set Save \$20.00***
