\*\*\* *Organic Garden* is the Main Sponsor of all organic products showcase in this event \*\*\*

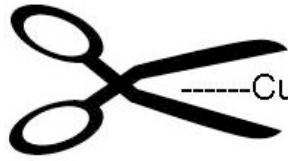

"Education is the key to empowering consumers to see through the "green-wash" of slick product marketing to recognize products for what they really are. Misleading labels and clever advertising relating to organic content often mask the use of potentially toxic ingredients, which seriously undermine the integrity of the organic claim."

Australia's Leading Certifying body; Australian Certified Organic has awarded their "Certified Organic" seal of approval to the range of skin, body and hair care products.
